ABOUT US

Global Manufacturer & Exporter of
Premium Packaging Solutions

For over a decade, Rohe Waren has been a trusted name in the global packaging industry. With a client base spanning more than 30 countries, we have built a strong reputation as a reliable partner in delivering high-quality packaging solutions - including aluminum, glass, paper, and a diverse range of other materials.

We are committed to upholding exceptional standards across the full spectrum of packaging needs. Whether you require custom-designed packaging or essential materials for large-scale production, Rohe Waren is equipped to meet your demands with precision and reliability. At the core of our service is a focus on personalized solutions - carefully tailored to align with your brand's unique specifications and performance goals.

MATERIAL

PERFUME PACKAGING

Our premium materials are carefully selected to preserve the essence of each scent while reflecting timeless sophistication. From custom glass bottles to luxurious finishes and eco-conscious options, every element is crafted to elevate your brand and captivate your audience.

PRODUCT OVERVIEW

We're pleased to present some of our perfume packaging designs that reflect quality, style, and attention to detail.

PETG

bottle

ORNATE METALLIC CAP
Sculpted gold-tone detailing creates a distinctive, elegant focal point with a premium finish.

GLASS
Clear glass construction adds weight, clarity, and a refined premium appearance.

PETG OUTER SHELL
Custom-molded PETG creates added depth, structure, and a distinctive dimensional finish.

LEATHER

bottle

TEXTURED METALLIC CAP
Precision-ribbed metallic finish adds texture and dimension, creating a sleek, contemporary luxury look.

PREMIUM LEATHER FINISH
Textured leather wrapping adds a rich tactile feel and an elevated, sophisticated finish.

CRYSTAL

bottle

FACETED CRYSTAL CAP
Jewel-inspired faceting creates brilliant reflections and an elegant statement finish.

DIAMOND-CUT CRYSTAL BODY
Intricate geometric facets enhance light reflection, giving the bottle exceptional brilliance and depth.

POLISHED GOLD COLLAR
A lustrous metallic accent adds warmth and a refined luxury contrast.

SCULPTED CRYSTAL BASE
A substantial crystal base enhances stability while adding depth, brilliance, and a luxurious finishing touch.

PERSONALIZED PACKAGING

If you can imagine it, we can make it.

We manufacture fully custom perfume bottles and caps – any shape, color, effect or style. We develop moulds to your design, apply any surface finish and offer complete branding with printing, hot stamping, engraving, logo plates and more. Whatever vision you have, we can produce it.

PERSONALIZED PACKAGING

TEXTURED WOODEN CAP
Layered wood detailing adds natural texture and a unique premium character.

CLEAR GLASS BODY
Smooth transparent glass highlights the custom interior while maintaining a clean, refined silhouette.

CUSTOM INTERIOR ELEMENT
A decorative cactus element inside the bottle adds personality and creates a unique visual identity.
